TO THE PUBLIC.

I have this day disposed of all my right, title and interest in the NATIONAL REPUB-LICAN to the present management. In rethring from the ownership of the paper, extending over a period of seventeen years, I desire to tender my thanks to the citizens of Washington and the public generally for their kind support, which I hope will be continued to my successors. I also desire to express my appreciation of the faithful and able services of Mr. A. M. SOTELDO, JE. the Managing Editor, and the other gentle men connected with the various departsents of the journal.

W. J. MURTAGN. MATSONAL REPUBLICAN OFFICE,

Mr. WM. J. MURTAGE having dispoand the same having been transferred to its at proprietors and publishers, we deare to extend to him, on his retiring from the position he has filled for many years, oet hearty wishes for his future pros perity and happiness.

In entering the field of journalism at the affairs of business, our courage, perhaps, is to be admired than our discretion, for the been already repeatedly announced by way of admonition that a fearful mortality has heretofore prevailed among news enterprises in the city of Wash ton. In view of this, the prospect may not wear a reseate hue, but we have nevertheless determined to embark on the joursalistic sea and take the chances of bring-

We now present the NATIONAL REPUB have no concentments as to our principles, cally. aims and ends. We enter upon this work feel confident that this city presents an intive of the Republican party and with a just appreciation of the duties, reome in our struggle. These, instead of disheartening us, only tend to challenge faith, and render us remiss in duty. our best efforts to earn popular commenda-

We are not insensible to the fact that a public journal to merit prosperity must wear those characteristics which command popular confidence and respect. Its conducmust be marked with untiring enterprise and industry in gathering, preparing and be developed into wide-spread prosperity. presenting the current events of the day is a secentable manner to the reading public. The publication must appear with comely aien, and wear a becoming respect for the public taste, allied to a just regard for the rights and interests of the people of the District of Columbia. It must occupy an elevated plane of discussion, and preserve a dignified line of expression in all its utter-

The columns of this journal will be studiensly guarded against the admission of ial and sensational matter gleaned om the purlieus of vice and crime, as we do not propose to cater for a morbid taste that luxuriates in that character of intelvehicle of personality or defamation of pubbrary, it will strive to secure public esteem

verity, and, while we have no disposition to established, and then we shall "nothing extenuate, nor set down aught in malice." We
shall take no stock in vague rumors or calumnious assaults against any one, whether
poses.

The method and convenient currency, equal in

they are burdened with onerous taxation and friendship, thus securing hearty co-ope.

the rights of suffrage and repres denied them. These rights are youchsafe citizens of this Republic to all other and we say, extend to the people of the District of Columbia, who are taxed for the support of local government, the right of suffrage and representation. It is but simple justice that this change should ensue, so that those who bear heavy burdens shall feel at least that they are recognized as citizens in fact as well as

Politically, this journal will be guided by spirit of independence which will render it more useful in the discussion of the great principles which underlie a republican form of government than in advocating or defending mere parties or partisans at While our proclivities tend to Republica ism, our adherence to that or any other political party organization will depen upon the principles and policy which mark its history. We shall sympathize strongly with that party which contends for the his interest in the NATIONAL REPUBLICAN, equal rights of all citizens before the law whether they are residents of Maine. California, Georgia or Mississippi. The right of an American citizen, whether he hails from New England, the Pacific coast or from 'the sunny South," to express his politica sentiments or exercise his suffrage in any State where he resides, without the fear of molestation or violence, must no tional Capital at this peculiar crisis in the only be guaranteed, but fully secured. There never can be unity, fraternity, har mony and peace throughout the coun try until these rights are everywhere respected vouchs citizen, irrespective of color, condition or belief. If this nation ever again enters an era of common brotherhood and friendship as we sincerely trust it may, it will be when all the guarantees of the Constitution including its amendments, are honestly seing our enterprise into the harbor of cured to every citizen in every State in the Union. Pacification upon any other basis would be a sham and delusion. The party ERCAN to the public under new auspices as and men who contend for these principles candidate for favor, and in doing so we and rights are our party and friends politi-

We cannot consent by silen se a matter of business. The capital and point that our attitude towards the presat brought together in this enterprise ent National Administration shall be miswill be operated for the public welfare as understood or misinterpreted. Having dewell as for the benefit of those engaged, and voted our best abilities and efforts to secur without subserving the general weal we the elevation of Gen. RUTHERPORD B an have no hope of realizing success. We HAYES to the Presidency as the representawiting field for journalistic enterprise and nounced principles, it will be our highest Mort, if it is properly occupied, and have pleasure to sustain all his measures and deliberately concluded to enter it, we trust, policies that are in barmony with Republican principles, usages and traditions. To bilities and difficulties to be met and take any other course would, in our judgment, be inconsistent with political good expect more or less of us now would be to impuga our political integrity and

question our good sense as Republican We shall favor and advocate all public improvements, by which inter-State com merce may be promoted and strengthened and the resources of the entire nation may

We shall not contend for a tariff for pro tection, but for revenue. The man ing interests of this country no longer need any protection beyond what is secured to them by skill, economy and superiority of excellence in production. A tariff for reve nue, however, is a legitimate and equitable means for liquidating the public debt and defraying the expenses of the Government.

Our best abilities will be devoted to the cause of universal and free education, that the door of knowledge may be thrown open to all the children of the United States irrespective of birth, color or condition. In this is the anchor of hope for the perpetuity lectual aliment. It will not be made the of Republican institutions on this conti-The question of finance and currency is

on the part of the people, and we cannot re defending the right and rebuking the frain from taking part in the future discusng in such terms as will be unexcepenable to the most refined and fastidious ject. We shall contend for honest money, It will endeavor to defend which will secure to the people a uniform the weak, as well as the strong, when assailed unjustly, and to sid in elevating are in favor of remonetizing silver, and making it a legal tender of equal value If we are to judge from the past, there with gold, for all debts due the Government must be a great temptation at the National and the people. for the toilers through whose labor capital is utilized and made productive. They are the bone and sinew of the nation, and are are the weaker party in these relations, a the world counts strength, and hence are entitled to sympathy and aid in their efforts to live, rear and educate families and take part in the race of life. They have been the victims of evil counsels and have clouded the cause of labor by resorting to acts of violence, when more peaceful and beneficent solution of troubles could have been reached under a spirit of forbearance. They must learn to respect the law and the rights of person and property, if they would save the cause of labor from repre ension. On the other hand, capital mus cultivate a higher respect and a more lively with labor and its rewards. This point car be reached only through an intelligent liberal and just popular sentiment as to the tatus and rewards of labor. Nearly every toiler is an American citizen, and is entitled to all the respect that upright, industrious ecause they toil grants to no one a licens to oppress and grind them to the earth. They are entitled to a just if not gener eward for their services in aiding capital o prosecute the enterprises of business and when this is abridged wrong is done and discontent follows. The capitalist from avarice or any other cause, is led into such an error, makes a serious mistake and helps to accumulate difficulties in his own path. We desire to see this condition of affairs undergo a healthy and beneficent reform; and if we can be in any way instrumental in bringing these elements of individual and national properity into harmonious relations it will be

With this presentation of our purposes upon such questions as we can allude to now, we start out in our new enterrugged road, which will require devotion endurance, industry and untiring persemay interpose in the way of success. We now look to a generous amblic to afford as such encouragement and support as our efforts may descrive. We shall certainly merit that much, and we ask no more

umbers of THE REPUBLICAN, for some time to come, a large edition, which will be distributed throughout this city, George own and Alexandria, that the reading pa lic may see what we are doing, and what we propose to do in the way of journalistic enterprise. The circulators of THE REPUB LICAN will call upon all those who receive this paper, who are not already subscribers with a view to securing subscriptions.

THE POOR INDIAN. Whenever a band of Indian chiefs and

raves visit the Capitol of the nation, as is the case, at public expense, it very naturally calls to mind the history and ngs of the aborigines of this co lince the landing of COLUMBUS nearly three centuries ago, the red man has had cause for hostility toward the white intruder upon his At that period the aborigines were the sole possessors of the soil that to-day They had been placed here by the Creator as the sole tenants of all the land lying between the Atlantic and Pacific Oceans and Gulfs of St. Lawrence and Mexico, and up to the time when the white man car shores, there was none their right to dispute. Upon the principle that "might makes right," the white man, with his civilizing influences of gunpowder and fire-water, has pressed the red man inch by inch, until he He or private reputation to gratify vittated The question of finance and currency is has either passed to the hunting grounds tastes or personal revenges. On the conreservations among his persecutors, or been driven into the valleys and gorges of the Rocky mountains and upon the Western

> The Government has made treaties with and time. But this much we do say, that its the Indian tribes, but never to keep them no evidence of friendship to the Republic in good faith. It has purchased their lands, can cause in New York to turn the Repub but never without cheating them either in to feed and protect them in idleness through would, therefore, suggest that if the Time agencies that have proved in many instar way the Indian has been taught by sad ex-perience that the white man has one of two upon the Republican Senator. perience that the white man has one of two objects in view—either the extinction or the expulsion of his race from the soil where the aistently enforced against him, the poor In-dian has made treaties with the Government, has ceded his lands, has given up old homes and seenes for new ones, has enhomes and scenes for new ones, has en-joyed just enough of the civilizing influences of the white man to enable him to mences in New Orleans. It is stated that the contract all the vices of civilization without any of its redeeming virtues and benefits, menced some time during the week. They ences of the white man to enable him to m any of its redeeming virtues and benefits, until his race is reduced to a mere remnant, who stand to-day before the world in work for some time past preparing their de the attitude of mendicants dependent upon the Government for protection and mainte-This is the status of the Indian. and we think he is much better in moral and physical condition than the white man Revised Statutes.

through the defiles and canons of the Rocky mountains with infantry, cavalry and arti-lery, and we have no doubt it is far mor TAIL, RED CLOUD, THERE BRARS and THO ubt delighted with the ways of civiliza-on an practiced at the National Capital e think when the Indian policy of thi Government assumes a more just character, and perfect faith is kept with the Indian tribes, we shall preserve peace and friendship with all.

THE QUESTION OF LABOR. We need not reassert that we are in syn nothy with the laborer, here or else that we are heart and soul with the toiler of the country. The city of Washington i filled with people, male and female, who are ready and willing to labor for a fair compensation. With all such we have deep interest. They are entitled to em ployment and its fair reward. It is the duty of those engaged in prosecuting the power to afford honorable relief in emploent to those who are ready and will by the way of alms. To ask alms as a me

furnish employment and its rewards to the poor of the city. Labor is dignified; its reward is simple justice. Beggary is the most abject condition to which the human family can be brought. To avoid this i the duty of every one who has it in h power to avert such a fallen state. Employment and compensation seems to b m pauperism and suffering take form finding employment and co those who are exposed to t ding employment and compensations who are exposed to that deployed to that deployment in that way crime and a may be averted, and want and mendicancy.

THE Democratic party has always that the civil service of the country divorced from the corruption of Baltissoc Gazette.

Since when? The history of the Deme cratic party justifies no such silly assump-tion. Never during its possession of powe in the Federal Government did the Demo eratic party "contend that the civil of the country should be divorced from cor raption in politics." On the contrary, or of the most eminent of all the Democratic apostles, while that party was in the hey day of power, enunciated the doctrine, "to s belong the spoils," and in or out of power every mint of that pe litical church has been preaching and pre-ticing it with a Mussulman's devotion.

THE New York State Republican conve tion has met, presented its platform and ticket and adjourned. What it has done or left undone has passed into history. viewing the battle-field from this star we find much to admire and some things t regret. The platform of principles, in al that pertains to federal affairs, is eminently Republican. On State policy it is sound and is in harmony with public sentiment. The ticket, so far as we know the candidates, is wanting of confidence and support. There were some a:ts in the proc convention which might have been omitted though the importance of what did occu-The collision between Mr. Cur. purposes. The collision between Mr. Con tis and Senator CONKLING was a tilt be tween the gladiators in the ring, which might and should have been avoided, but was not Senator Conkling was provoked to man by what really seemed to be a needless off ciousness on his part. He was spoiling for a fight and got it. The result was that he found in the collision that "there are blow to receive as well as blows to give." counter it was the result of had inder on his part, and himself and his friend should cease the fight now that the conven tion has adjourned, and the people

But for the metropolitan press, which bent upon carrying this difficulty into the opening canyass it would have ceased when the convention adjourned, or slope, where he can contemplate a resting-place in the waters of the Pacific, or eke combattants thereafter. We do not propo out a miserable existence under the guard-LING's course in the convention. He will take care of that himself in his own way lican armament upon Senator Conkline It has pretended now instead of the common enem nere engines of fraud and robbery. In this in the pending contest they will aid it by
